

QuattroTMPost Premium Knotty

QuattroTMPost - Premium Knotty *Premium knotty Western Red Cedar*

Synergy Pacific produces a high quality engineered Western Red Cedar, tight knot, non finger jointed QuattroPost that is targeted at the user who prefers the look and feel of knotty cedar but requires perfection.

The Premium Knotty posts are manufactured with the same kiln drying and engineering principals as other QuattroPost products. Each piece of lumber is hand selected by our in-house specialists prior to each process: kiln drying, profile moulding and final lamination. This ensures a product that meets our highest standards.

QuattroPost Premium Knotty is intended for owners that insist on the beauty of natural Western Red Cedar in their environment. Premium Knotty posts are an architectural element for your home.
